BEVERLEY BOYKO of Haliburton, this year's Minden Winter Carnival Beauty Queen toured Queen's Park during her visit to Toronto with Glen Hodgson, MPP as her guide. Also shown in the picture above is Mr. Hodgson's son and at the back Mrs. Boyko and Mrs. Hodgson.

—Dept. of Travel and Publicity Photo

WATER PROBLEM AT HDHS

The chlorination system in the new wing of the Haliburton high school has been out of use for three weeks but should be working again by Monday.

The school cafeteria has been closed because of the fear of infection, as water is taken from Head Lake.

Signs have been posted in the halls of the school warning students not to drink the water. Adequate water for washing and sanitary purposes is available however.

PARK IN LUTTERWORTH LIKELY

A park for the township of Lutterworth will probably become a reality in the near future after a special meeting between the Lutterworth council and the owner of a proposed subdivision. Mr. Hockley, owner of the subdivision, agreed to give the township a change of right of way in a spot requested by the council. The original right of way ran through a portion of a ledge recently purchased by Mr.

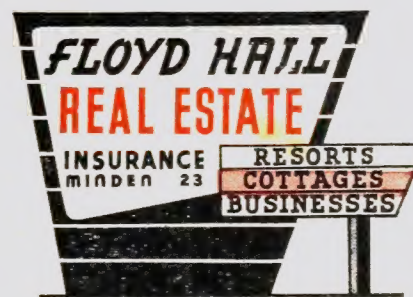

Hockley and he wanted it changed to another portion of his property. The council refused to accept the land that Mr. Hockley wanted to give but at the special meeting held on April 27 the council and Mr. Hockley agreed on another piece of land. Along with the right of way council will receive five per cent of the roerty in the subdivision and will include it all in a park. The park will be situated south of Moore's Falls on Hwy. 35 just north of the Haliburton - Victoria boundary. The agreement is subject to approval by the planning board.

MINDEN TO BORRW \$75,000 FOR BUILDING

At a council meeting on Wednesday, April 22 in the Registry Building, Anson, Hindon and Minden council passed a bylaw to borrow up to \$75,000 from the Canadian Imperial Bank of Commerce at the interest rate of 5 $\frac{3}{4}$ % for the purpose of temporary financing on the new municipal building. The controversial building is well under construction and is expected to be completed before the summer season. Another bylaw was passed at the meeting, this one concerning septic tanks. It was agreed that all septic tanks must have a minimum capacity of 200 gallons and a minimum of 100 feet disposal tile. When a Flush-O-Matic type toilet is used, a tank of 100 gallon capacity is allowed with a minimum of 40 feet disposal tile. All these minimums are based on suitable soil conditions. This was an amendment to Bylaw 5-62.

It was also decided that light installation should be put into effect from Jim Graham's home to the Minden Red Cross Hospital and Catholic Church as well as spot light installation over the Minden Village sign at the by-pass.

WARP and WOOF

At last! Warm, bright sunny er" was a group of little old spring weather has shuffled men who blew fancy glass around the corner. The buds on the maples are swelling, the lawns are turning green, and the dandelions another thing, which, if given an inch, will take a yard, will be doing just that, and popping up like crazy.

A book by one of The Beatles! Here is an extract to give just a flavor of the 23 pieces by the most accomplished of the Beatles, John Lennon: Are you ready?

"Why were Prevelent ze Gaute, unt Docker Adenoid getting so friendly? You might well arsk. Why was Seldom Loyled sagged? Why did Har-rassed McMillan go golphing mit Bob Hope. Why is Frank Cunnings and the T.U.C. against the Commen Margate? You might well arsk . . ."

In England his book has been described as "a rich pancake of verbal cross-reference, sophisticated punning and semi-poetic wisdom." It has even been compared to James Joyce and Lewis Carroll's Jabberwocky. Being published by Clark, Irwin and Company Ltd., Toronto, and soon available. We note that it sold out in England on the day of publication!

Going to the 1964 World's Fair? Wonder what the surprise hit will be. Here are some smash hits of former World's Fairs:

1851 London: The huge Crystal Palace amazed the world but the off-beat hit was an exhibit of "up-to-date" artificial legs.

1889 Paris: The Eiffel Tower was unveiled — also a little novelty called "The Automobile."

1893 Chicago: "Little Egypt" was the first hootchie-kootchie dancer America had ever seen.

1939 New York: The "sleep-

This year? Here are a few that might get the "Off-Beat Oscars": At the African Exhibit you can have your picture taken shaking hands with a genuine wild lion.

If your passion happens to be cheese, the Wisconsin exhibit has the biggest cheese ever made — 17 tons.

The Illinois exhibit will have a "live" Abe Lincoln, who sits, stands, smiles, frowns, and delivers a six-minute speech.

Here is an exhibit which will give the greatest possible pleasure to the fewest possible people: a garden of flowers, especially chosen for texture and fragrance — the Julimar Herb Touch and Smell Garden for the blind. And this will be the first fair in history to print a guide-book in braille!

Found this in Visking News: I dreamed death came the other night and Heaven's gate swung wide. With kindly grace an angel there, ushered me inside. And there to my astonishment, stood folks I'd known on earth. Some folks I'd judged and labelled as unfit—of little worth. Indignant words rose to my lips but never were set free . . . For every face showed stunned surprise . . . no one expected me!

And from the American Legion:

Kitchen Chronicle

For years his mother diced and toasted, Parboiled, grated, minced and roasted.

She whipped and pitted, pared and steamed, And sifted, basted, kneaded, creamed.

In fact she's simmering now, because Her daughter-in-law just sits and thaws.

Kitchen Snooping

For a different steak sauce, try raw lemon juice, catsup and paprika. For tastier home-fried potatoes, add a sprinkle of celery salt while they are cooking.

Bar Snooping

For a different after dinner drink mix sherry with a little brandy.

Wanted — Men

Not system fit and wise,
Not faiths with rigid eyes,
Not wealth in mountain piles.
Not power with gracious smiles.

Not even the potent pen —
Wanted: Men.

"An Executive Has Nothing to Do"

As everybody knows, an executive has practically nothing to do. That is, except:

To decide what is to be done; to tell somebody to do it; to listen to reason why it should not be done, why it should be done by somebody else, or why it should be done in a different way and to prepare arguments in rebuttal that shall be convincing and conclusive . . .

To follow up to see if the thing has been done; to discover that it has not been done; to listen to excuses from the person who should have done it and did not do it . . .

To follow up a second time to see if the thing has been done; to discover that it has been done but done incorrectly; to point out how it should have been done; to conclude that as long as it has been done, it may as well be left as it is; to wonder if it is not time to get rid of a person who cannot do a thing correctly; to reflect that the person in fault has a wife and seven children, and that certainly no other executive in the world would put up with him for a moment; and that, in all probability, any successor would be just as bad or worse.

To consider how much simpler and better the thing would have been done had he done it himself in the first place; to reflect sadly that if he had done it himself he would have been able to do it right in twenty minutes, but as things turned out he spent two days trying to find out why it was that it had taken somebody else three weeks to do it wrong, but to realize that such an idea would strike at the very foundation of the belief of all employees that an executive has nothing to do.

MINDEN CURLING CLUB BANQUET

The Minden Curling Club held their windup banquet on Friday, April 24 at Deer Lodge with some 105 persons attending. A social hour was enjoyed followed by dinner at 7:00 p.m. After dinner prizes were awarded as follows:

Ladies — Pat Campbell's rink won first prize in year's schedule. Shirley Brandon's rink won the Prentice Roads Trophy for first in the playoffs. Pat Campbell's team won second prize for playoffs and Edith Coneybeare's team won

Men — Roy Windover's rink won the Carnarvon Lumber Co. trophy for high standing in schedule play. First prize for playoffs went to Harold Burton's team, with second prize going to Bernard Trepaniers team. The Crest Hardware trophy was won by Percy Brintnell's team for high standing the mixed league.

A scroll and pin were presented to Mrs. Ethel Minto, making her a life honorary member of the Minden Curling Club, for her donations to and her efforts on behalf of the club for many years.

A sing song was held after dinner, and then the "Beatles" in the persons of Mabel Wideman, Shirley Collis, Max Jackson and Allan Coneybeare entertained. A humorous skit, narrated by Mrs. Shirley Bush was much enjoyed, being a rendition of "Clothes and the Woman", presented by the Stone and Broom players, being Percy Brintnell, Max Jackson, Earl Bush, Allan Coneybeare and Art Hodgkinson.

Dancing followed with Earl Palmer and Shirley Collis winning the twist contest, Mr. and Mrs. Harry Campbell being judged the best all round dancers and Mr. and Mrs. Harry Garner winning the elimination dance.

BOWLING NEWS

By Jean Sears

The members of the Friday Mixed League held a dinner at the Wagon Wheel following their bowling season. High team of the season and playoffs went to Ron Robinson's team.

Other trophies went to Ruth Paull, high single; Beulah Hewitt, high triple in the women's play.

Jim Miles won the high triple and Ron Robinson won the high single for men.

The new executive is President Andy Paull, Treasurer Bill Barber and Secretary Art Burwood.

\$2,500 DAMAGE TO DITCHED CAR

A late model car suffered \$2,500 damage and the driver sustained cracked ribs and bruises early last Saturday morning when the vehicle left the road on Highway 35, three miles south of Coboconk.

Driver of the vehicle Margery Dancey, 32, of Fenelon Falls told police she was proceeding south on the highway when a north-bound vehicle blinded her with bright lights causing her to lose control of her vehicle. Police said she left the travelled portion of the highway and ended up the west ditch.

Constable Deslaurier of Coboconk detachment investigated.

EDITORIAL . . .

THE FAVORED ONES

A bylaw in the township of A H and M restricting parking of cars on the main street of Minden to two hours is no doubt a worthy bylaw. It is a bylaw that was passed in 1951 but has never been used to its full extent but since parking is at a minimum in the town it should be enforced more often. And last week it was. However much to the disappointment of some citizens it is only being used to move a few people from their all day parking spots. It seems that some people are allowed to leave their cars sitting on the main street as long as they feel like and yet others are forced to move their vehicles. This is not why the bylaw was initiated it was meant to all of the people in an equal manner no matter who they are. A car is a car and if one is taking up space unnecessarily on the street then the one sitting next to it for the same length of time is also taking up unnecessary space. In our democratic system all people are treated equally no matter who they are, however in Minden it seems that only certain people have to follow the rules that are set down to govern this small part of our community. It is hoped that this situation is rectified immediately and the favoured ones become the favoured none.

Correspondence for the Minden Progress should be addressed to Box No. 264, Minden.

Haliburton Village Subscription and Advertising inquiries may be directed to the Haliburton Representative, Joe Peacock.

NOTICE

The law offices of FULTON, McQUARRIE and HILL announce that Mr. Robert J. Ord, Barrister, is now associated with the firm for the practice of law.

BETTY HARRISON NEW PRESIDENT MINDEN KINETTES

Betty Harrison was elected the 1964-65 president of the Minden Kinette Club at a recent meeting. Immediate past president is Barbara Elden.

Vice president is Fennel; secretary Mabel Deacon; treasurer, Joan McKenzie; bulletin editor Yvonne Nye.

The directors of the club are Linda McKnight, Molly Locke and Jean Harvey.

Four members of the Minden club attended the Zone "C" inter-club meeting at the Empress Hotel in Peterborough recently.

LUTTERWORTH COUNCIL AGREES TO FIRE HIKE

Lutterworth council were informed at a meeting on Wednesday, April 15 that Minden council has asked for a boost in the rate charged for fire protection to the township. The present fee calls for \$100 yearly standby and Minden asked that the fee be boosted to \$200 yearly. The firemen's wages are not included in these rates and when a fire call is answered Lutterworth township pays the men's salary. After a brief discussion the council agreed to continue in agreement with Anson, Hindon and Minden on fire protection and endorsed the boost in rates.

MINDEN BOY CUTS FINGER ON SAW IN HIGH SCHOOL ACCIDENT

Keith Kernohan, 16, son of Andrew S. Kernohan of Minden was rushed to Ross Memorial Hospital, Lindsay, Monday morning after he received severe lacerations to his right index finger.

The accident occurred between 10 and 10:30 on Monday while he was using a band saw at the Haliburton District High School.

The boy was treated by a Haliburton doctor before being brought to Lindsay hospital by Mark Schell.

His condition is reported as satisfactory, by hospital authorities.

NOTICE

The Dysart Municipal Telephone System wishes to thank its many customers for their patience and understanding during our recent installation of new equipment in the Minden office.

HOW DOES C.P.A. BENEFIT YOU?

Following are the guiding principles established by the Canadian Prefab Association for its member companies:

1. To abide by all government building codes and regulations.
2. To keep pace with the latest architectural achievements.
3. To maintain strictest quality controls on material and workmanship.
4. To encourage constant research for engineering improvement.
5. Uphold their obligation to the customer.
6. To safeguard the public's interests at all times.

It will be to your best interest, when considering a Home, Summer Cottage or Garage, to inquire first from one of the companies displaying the C.P.A. symbol.

60th WEDDING ANNIVERSARY

Mr. and Mrs. Herb Dewell of Norland were honored on their 60th wedding anniversary Monday, April 27th, 1964. The celebrations included a dinner for the immediate family at the home of their daughter Mrs. Harold Hopkins of Baddow, on Saturday, April 25. All six children were present. The family included Mrs. M. McNevin and Ted of Kingston, Ont.; Mr. and Mrs. Floyd Dewell, Toronto; Mr. and Mrs. Sandy McGee, Cameron; Mrs. Robert Dennison, Averill Park, N.Y.; Mr. and Mrs. Ivan Dewell, Cameron; and Mr. and Mrs. Harold Hopkins, Baddow; Mr. and Mrs. Ron Wood of Miner's Bay were guests.

Mr. and Mrs. Dewell held open house for their many friends and neighbors on Sunday and Monday afternoons at their own home in Norland. The happy couple were honored with "congratulations" from our Queen.

Mr. and Mrs. Dewell were married at Castleton, Ontario. They farmed for many years at Uphill, then at 5th concession Fenelon Falls Township. In 1949 they moved to Norland where they now reside, and enjoy their 16 grandchildren and 20 great grandchildren.

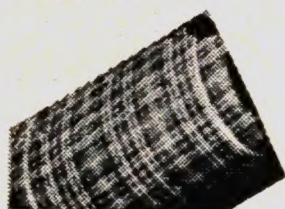

RETARDED CHILDREN FUND DRIVE STARTS MAY 6th

The Haliburton District Association for Retarded Children will start their annual campaign for funds on May 6 through May 16. The students of the Haliburton County District High School will conduct a canvass of the county with a blitz slated for the evening of May 13. The campaign dates are set by the Canadian Association for Retarded Children and are geared to include Mother's Day within that period.

All funds raised this season and not needed for operating purposes will be channelled into the building fund.

FORMER LUTTERWORTH COUNCILLOR PASSES

Mr. Ira Gillespie, a longtime resident of Lutterworth Township passed away suddenly on Friday, April 24. He was a prominent Lutterworth councillor for many years until he retired from municipal work four years ago. Mr. Gillespie was well known to the many tourists in the area and was respected by citizens from all parts of the township. Interment took place at Norland Cemetery on April 27.

Can you spot the changes in the 196466HPVWTS?

You'll have to frisk this car. Nothing clashes. Nothing shouts.

Just a discreet touch of chrome.

When you spot the new TS symbol at the rear, you've hunted down the big difference for 1964. Touring Sport it stands for. "Touring" simply because you can tour all day in roomy comfort. "Sport" because the new Volkswagen 1500 TS has real sports car performance.

25% more horsepower.

In 12 seconds the TS moves from a stand-

still to 50 miles per hour. It's the kind of double-quick-go you need for safe passing.

Alright. Relax your prowling. We'll tell the rest: Larger brakes. Twin carburetors. Instant heater. Whitewall tires. New colours.

You won't have to look for economy. Volkswagen always has it. 35 miles per gallon. Same goes for the other traditional advantages like rear engine traction, no radiator problems, fine attention to detail.

Same goes for the 1500 TS Station Wagon.

Now call off your search party.

AROUND THE SQUARE

Mrs. Kay Lunham of Hall's Lake passed over a generous number of her personal files that she has collected over the last few years to the Minden Progress the other day to use for reference. The files that consist of clippings from various newspapers and magazines are quite interesting and cover many different aspects of Canada.

Mrs. Lunham stressed quite emphatically an article that appeared in the April 24 edition of the Toronto Telegram written by John R. Conway, Chief Information Officer, Department of Labor, Province of Ontario.

The article is too lengthy to reprint word for word but it in essence deals with the various duties of the department of labor and mentions such items as one-the-job training of workers via the apprenticeship system, safety of workers, labor management relations and wages and hours of work. The apprenticeship branch is perhaps the most important. The department of labor has 120 trades under its wing and for more information simply apply to the Department of Labor, Apprenticeship Branch.

It's good to see that Minden council has seen the light. Street lights that is. Fluorescent lights are to be installed near the Anglican Church and at the corner of St. Germaine and Newcastle street. Lights are to run from Jim Graham's house to the Catholic Church and a spot light will be erected over the Minden Village sign at the bypass.

Banquets seem to be in style during the last couple of weeks with the bowling teams and the curling club ending their activities with some real hootenays. The brooms and the bowling shoes have been hung up for another year.

Proposal from the Joint

Scholarship Committee of the
Haliburton County District

High School to the
Minden Rotary Club

Title:

This scholarship will be known as the Minden Rotary Club Scholarship for Diversified Occupations.

General Conditions:

This award shall be made on the recommendation of the Joint Scholarship Committee of the Haliburton County District High School and the teachers of Diversified Occupations in the above school. There will be one scholarship offered to the boys and one scholarship offered to the girls of the Diversified Occupations classes. The scholarships will have an annual value of \$50 each.

Candidates must make application for these scholarships to the principal of the Haliburton County District High School. The scholarship will be paid to the candidate on completion of one-half of the course entered, if he or she has passing marks.

Eligibility Requirements:

Candidates for this scholarship must fulfil the following conditions:

(a) They shall be enrolled as full-time students in Grade 10 of the Diversified Occupations Course.

(b) They shall reside within the limits of Haliburton County.

(c) They shall be students whose education is the responsibility of the Haliburton County District High School Board.

(d) They shall be proceeding to further education in a grade school or apprenticeship training.

Academic Requirements:

1. The candidates must have the required standing for entrance to the course chosen.

2. Where more than one student makes application for the scholarship, the scholarship will be awarded to the student with the highest aggregate marks.

Withholding of the Award:

If in the year there is no suitable candidate, the award may be withheld for the year.

SCOUTING CORNER

With Bill Payne

A short time ago, an expedition set out from Minden to explore the wilds of the north country. Somewhere about half way to the north pole, the cars were parked and the expedition went the rest of the way by foot, carrying the necessary supplies needed for an extended excursion of two days.

If you can picture small ants carrying large loads as they do, you will have a general idea what the boys looked like going through the bush with all their gear.

In case I haven't mentioned who these brave souls were, it was a sixers weekend consisting of David Trepanier, John Cooper, Wayne Johnson, Philip Payne, Steven MacKenzie and John Morgan accompanied by Phil Graham, Andy MacKenzie and Gordon Graham.

The purpose of this weekend was first to bring the boys along in the training and second to say thank you from the leaders for the help they give in training of the rest of the pack.

The boys completed their second star work and were well behaved almost all the time. However, as boys are some of them went out to wash in the lake with only their slippers on for footwear instead of their boots. As this could be detrimental to their health and as the "Honey Bucket" had to be emptied, what could the leaders do but impose upon them the duties of a honey bucket patrol. This was done with a smile and no mishaps occurred.

The pack have acquired two morse code oscillators and the boys saw them for the first time at camp. Within the next week one of the sixers passed

his code for his second star. When we crossed the ice going into camp the ice was eighteen inches of blue ice, when we came out after a beautiful weekend there was only 12 inches of blue ice and six inches of slush on top.

History Made in Minden

For the first time in the history of the Cub pack in Minden six cubs have completed the second star work. This entitles the boys to a "Leaping Wolf" badge if they continue their training by going up to the Scout troop. My whole hearted congratulations go out to David Trepanier, Philip Payne, Wayne Johnson, John Cooper, John Morgan, and Steven MacKenzie for a job well done. A special tip of the hat to John Morgan who completed his training in just over a year. This might encourage the rest of the pack to get cracking on their star work.

A badge ceremony was held recently and the six second star cubs were presented with their badges and encouraged to select their own category in earning further proficiency badges of which there is a number.

The president of the Minden Minor Hockey Association was with us lately and presented team players badges to the cubs who were eligible. Ralph Hussey was very pleased to present these badges to

the boys who had been good sportshen on the ice and played the best.

Dean Little, Warren Payne and Rocky Crawford were presented with their Second Stripe last week. John Morgan was presented with his second sixers stripe and all the boys were invested as seconds and sixers.

Tom Elder has passed his tenderpad requirements and has been invested as an official Wolf Cub. Tom's father, Jim, was in attendance to see his boy proudly become one of the pack and entitled to all the fun that takes place in the pack.

Our first meeting outside took place two weeks ago with the winter still with us for that evening. However, this did not stop a badly desired ball game that went on into the night.

If anyone wishes to see the pack in action, we will be having our meetings at the Minden school grounds every Monday night. A variety of activities will be the order of the night and I would imagine that baseball will be a major item in the program.

MINDEN MEN'S BOWLING

LEAGUE RESULTS

The league championship of the Minden Men's Bowling League was won by a team piloted by Captain Harry Cowan. After 72 games the team finished in first place in the league. Other members of the team are Bob Austin, Richie Harrison, Fred Cooper, Bob Coburn and Phil Sawyer. In the regular league play the high average honors went to Ron Robinson, the high triple to Bob Coburn and the high single to Bud Medley. In the playoffs a team sponsored by Bud Medley won the championship. Other members of the team besides Bud are Ali Wills, John Downs, Larry Medley, Fred Rolph and Ken Stevens. In the playoffs the high average winner was Fred Rolph, the high triple went to Ray Shaw and the high single went to Mark Schell.

TIRE BLOWS

\$500 DAMAGE

A car driven by Howard Magee, RR1, Coboconk, sustained damage estimated at \$500 when the vehicle left the road near Minden, Monday afternoon following a tire blow-out.

Minden OPP said the car was proceeding north on 10-mile road when the incident occurred, sending the vehicle out of control and into the ditch.

NA, AU Bahamas — A record of continued good service to his community and the sustained support of his customers earned Minden IGA dealer Joe Dollo and his wife Florence, an expense-paid trip to Nassau in the Bahamas.

Mr. and Mrs. Dollo arrived in Nassau last weekend to attend a six-day IGA convention on human relations and community service. The conference is sponsored by The Oshawa Wholesale Limited, Toronto, IGA supply depot in central Ontario.

Mr. and Mrs. Dollo were among several hundred IGA dealers and their wives who were flown to Nassau for the conference on two chartered Pan-American jets. They participated in a series of sessions on human relations conducted by Dr. Lawrence Taylor, Vice-President of Hillsdale College, Hillsdale, Michigan, one of North America's outstanding authorities on the subject.

The conference wasn't all business, of course. The IGA dealers and their wives got plenty of time to enjoy the Caribbean sun and the many forms of recreation which have made The Bahama Islands a vacation paradise.

According to IGA officials, the conference an advance study for IGA food market proprietors who are recognizer for continued exemplary service to their customers and "dedication to the highest IGA principles."

Mr. Dollo, however, prefers to attribute the success of his business and this special recognition from Oshawa Wholesale to "the people back home". They made this trip possible for us, through steadfast support and loyalty. We are grateful to our customers and hope to bring back many ideas on how to serve them even better than before," he said.

News and Views

from the Minister's Study

From the Minister's Study

For three years now our ministry both to year round and summer residents has been shared by a student minister, made possible through the assistance of the Board of Home Missions of our church. Once again the work will be enlarged and intensified by the appointment of Mr. Stephen Long, a student at Laurentian University to the Haliburton Highlands Mis-

sion Field. Mr. Long will be supplying the pulpits of the charge during June while the minister is on vacation. During July and August he will be responsible for a number of special summer services assist in Vacation School work and carry on a visitation in cottage areas. As the numbers of people in the county for the summer grow and the length of their stay increases the responsibility of the church

to serve them becomes more important.

For the first time in 10 years the Lindsay Presbytery of the United Church will meet in Minden. About 50 men and women, lay and clergy, will be assembled to conduct the business of the church for an area that extends from Haliburton to Greenbank. Just before lunch hour the Sacrament of Holy Communion will be observed, with elders of our own church to serve. The ladies of the Minden U.C.W. will provide the noon meal. Mother's Day on the charge will be marked by the Sacrament of Infant Baptism, an will emphasize the Christian Family in the Church. As i

the custom, music and flowers of Common Order, the United will help to make the day a memorable one, especially for the little folk. Any parents desiring to have children baptized are asked to get in touch with me not later than Sunday, May 3rd.

The first of four sessions in a Teacher's Training Course for the Minden - Carnarvon pastoral charge was held in Carnarvon last Tuesday and drew a very fine response from the teachers in all of our Sunday schools. The course is broken down into separate departments and a number of our teachers in each department had been previously trained through a Demonstration school held in Peterborough during the Easter holiday.

As a preliminary step towards producing a new Book

age, it provides both inspiration and deep meaning to those who are taking the vows of marriage as well as to those in the congregation. Much of the Hollywood type glamor of the big "church wedding" has been replaced by a warm, dignified service suited to the uniting of man and woman in holy wedlock. This service makes one look forward to the new Book of Common Order with real anticipation as making the services of the church relevant to life today.

LISTINGS WANTED

MINISTER HONORED — Rev. E. G. MacDonald of Fenelon Falls was presented with a robe in honor of his 25th year as an ordained minister at congregational dinner recently in Fenelon Falls. Ron Sharman (left) made the presentation.

FATHER AND DAUGHTER EXHIBIT PAINTINGS

Walter Noice of Minden has just received word that he and his daughter, Mrs. Michael Guida of Garden City, New York have been granted the privilege of showing paintings at the Art Exhibit at Green Acres in Garden City, Long Island. This is one of the largest exhibits of art in Eastern United States with over 600 artists participating. Last year over 13,000 people viewed the exhibits.

Mrs. Guida is showing a painting of "Christ" and one of "Venus Sleeping". Mr. Noice's painting is titled "Canadian Winter".

GRASS FIRE THREATENS HOME

A grass fire that started on Saturday, April 25 at 9:15 p.m. was easily extinguished by the Minden Volunteer Fire Department. The fire started outside the home rented by Mr. Doyle, a teacher, and was believed to have started in an incinerator. The blaze threatened the home that is situated near the Gull River in Minden but the fire department quickly controlled the blaze. A fireman told a Minden Progress newsman on the scene that the fire danger is great due to the dry weather this spring.

Homeowners are cautioned not to burn grass if there is a high wind.

LANCE EASTON HONORED AT SCOUT MEETING

Lance Easton of Haliburton was presented with a badge for ten years of service to the Boy Scouts of Ontario at a father-and-son banquet held on April 21 at the Legion Hall in Haliburton.

Mr. Easton has been connected with the Scouts for 22 years and was connected with the Boy Scouts in Minden when they were started in 1938. The badge was presented by Field Commissioner Wally Harper.

Mr. Easton told the Minden Progress, "It's one of the proudest moments I've ever had."

PRACTICAL JOKERS FIND MOVING HIGHWAY SIGNS EXPENSIVE PRANK

Three Coboconk youths found in Lindsay court Monday that moving highway signs was considered more than a practical joke. Glen 3WO... practical joke.

Glen Campbell, Grant Campbell and Glen Bryont, all of Coboconk were each

fined \$25 when they pleaded guilty to interfering with traffic signs.

OPP Constable Gordon Lee told the court that on April 23 the there had changed the location of a 30 mile speed zone sign to where a 60 mph zone started, and placed the 60 mph sign in a 30 mph area.

Magistrate C. W. Guest warned the youths that a second offence could bring them a fine up to \$500 and as much as a 6-month jail term.

ROTARY ROUND-UP

The meeting of April 20 was well attended with president Fred Griffiths in charge.

After the usual sing song a discussion on beautifying the river banks in Minden as a Rotary project was held and the committee was given the go ahead.

This was followed by a film, "Man Sometimes Conquers".

The film was issued by the Ontario Chapter of the Canadian Hemophilia Society.

The meeting of April 27 had a perfect attendance of local members plus five visitors from Haliburton.

The entertainment was a film entitled "One Day's Poison", which stressed the need of keeping dangerous pills or other poisonous matter out of the reach of children.

FENELON FALLS RINK WINS BONSPIEL

The Minden curling club held a successful mixed bonspiel on Sat., April 11, 1964 with entries from Bradford, Orillia and Fenelon Falls. Winners were: first, Jerry Palmer, skip; Mrs. J. Palmer and Mr. and Mrs. Joe Gamsby of Fenelon Falls. Second prize went to Vince Fountain, skip; Syl Howard, Mr. and Mrs. Jack Fountain of Orillia. Third prize to Jack Eastwood, skip; Betty Eastwood, Art Hodgkinson and Mabel Hewitt of Minden.

The club has another week of curling to complete their playoffs.

TO HOLD CANADIAN CHAMPIONSHIPS AT BOSHKUNG LAKE

The Canadian Water Skiing Association will be holding their annual competitions in the Highlands of Haliburton this year.

The events, which include jumping, slalom and trick riding will take place on Boshkung Lake along the Matabanick old hotel shoreline.

A demonstration of kite flying and bare foot skiing will take place as well.

The tournament chairman, Mr. A. R. Murdison of Toronto, stated that around 100

entries were expected including top Canadians and northern border state skiers.

This tournament is officially sanctioned by the Tournament of Water Skiers Association. Official tow boats and judges will be used and dual 100 hp. Mercury motors will be used on boats.

The competitions will take place on the weekend of Aug. 15 and 16.

The Minden Progress offers its congratulations and best wishes for a most successful meet and extends on behalf of the Water Skiing Association an invitation to everyone to attend this function for two days of enjoyment.

OFFICIAL OPENING OF LEGION IN JUNE

The official opening of the Haliburton Legion is to take place on Friday, June 12.

This ultra-modern building is a wonderful asset to the community and the people of the community should be proud to have such an edifice in their area.

The auditorium which seats about 200 for dinner or 300 for a meeting is large and completely air conditioned.

The auditorium is capable of handling about 350 to 400 persons at a dance, and a weekly dance may be a reality in the future.

The ladies' lounge is beautifully done with broadloom on the floor and soft, comfortable chairs for relaxation. This room will seat approximately 50 persons and anyone using the lounge will be relaxing in luxury.

The men's club room will seat 137 according to the licence held by the legion for members and guests only. The bar which serves this room as well as the ladies' lounge is the most up-to-date bar that is in operation anywhere in the country.

A walk-in cooler which pre-cools the beverages prior to loading on the shelves, will ensure the members of a "cool one" at any time they visit the club.

The banquet room upstairs, which will seat 50 people, has a rather unusual mural on one wall. It is in the form of a map of the district, put together with wood shingles, painting and other forms of material.

Secretary - manager, Marshall Leighton, when asked to comment exclaimed, "There is nothing as beautiful between Haliburton and Toronto. The design and easy access to all facilities has been planned very well."

The broadloom in the lobby as you enter the main door gives the feeling of being at home and puts you in the right frame of mind for an enjoyable evening of fellowship with your fellow members.

The landscaping is to be completed shortly and will certainly be done by the time of the official opening.

Marshall Leighton stated he was proud to be associated with the building and the members and being one of five boys in his family who served in the active service, he can be justly proud.

The terrazzo floors in the men's club rooms and the auditorium will aid in keeping these rooms clean and worthy of visiting.

The entire building is completely air conditioned, including the 10 washrooms. Music is piped in through the availability of CATV into all the rooms.

The building was built at a cost of \$112,000 with only \$54,000 remaining in mortgages. This will not be a deterrent in any way because with the auditorium being steadily booked for rentals, the amount will dwindle to nothing in the not too distant future.

The president, Al Cooper, asked for his reaction to the new building, said: "I am very proud to belong to an organization such as this. Our new building has presented our veterans and legionnaires with another challenge which they are meeting and will overcome by promoting the spirit of comradeship and hard work."

Indeed...

on business or vacation
your stop in Lindsay
will be pleasurable.
